Abortion

“Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations.” (Jeremiah 1:5).

Those involved in abortion today are engaging in child sacrifice. When a woman permits a doctor to kill her baby, she is literally handing her beloved child over to an executioner to be tortured to death. Throughout history, Molech worship practiced by the Ammonites and apostate Israel, have sacrificed human infants as a part of a complicated ritual in return for favors asked of them.

They built the high places of Baal in the Valley of the Son of Hinnom, to offer up their sons and daughters to Molech, though I did not command them, nor did it enter into my mind, that they should do this abomination, to cause Judah to sin. (Jer. 32:35)

Abortion is the modern day Molech worship that people are guilty of.

There is a book: In Demonic Abortion, by Thomas Euteneuer who also explains how the sacrifice of children to Moloch in the past, is still being insatiably conducted today in abortion clinics around the world. "The modern abortion industry offers ritual blood sacrifice to the ancient abortion demon. It is in every way a demonic religion. It has its sacred dogma ("choice"), its ruling hierarchy (Planned Parenthood), its theologians (feminist ideologues), its sacrificing priesthood (abortionists), its temples (abortion mills), altars (surgical tables), ritual victims (primarily babies and secondarily women), acolytes and sacristans (clinic workers and death-scorts), congregations (all supporters of abortion) and its own unifying principle of sacramental "grace" (money). In short, the abortion industry is a perfect demonic system which offers a perverse form of worship to the devil."

Planned Parenthood is harvesting body parts from butchered babies.

The largest abortion business in America is murdering unborn children, and then selling their organs. It's startling and disgusting in scope.

A senior Planned Parenthood abortionist was just caught on camera detailing how they "crush" the baby, altering the abortion procedure, so they are "very good at getting heart, lung, liver." Then they sell the babies' organs so it "doesn't look like they're making money." Planned Parenthood is operating a chop-shop, selling aborted babies for parts. The taxpayer funded abortion giant doesn't even deny what it's doing, claiming it's legal.

Thou shalt not kill; BUT, many women today kill anyway, having no regard for God or His Word.

In 1973 abortion on demand became legal with the landmark Roe vs. Wade decision. Abortion clinics immediately sprung up across the United States, fostering a blood-money industry capable of producing annual revenues in the tens of millions.

There are many churches and ministers today that even advocate for pro-abortion.

A newsletter published by the National Abortion Federation provides an account of the 1985 national convention. One of the speakers was Carter Heyward, an ordained Episcopal priest who has been active for many years in the feminist movement. This quote was taken from her address: "If women were in charge, abortion would be a sacrament, an occasion of deep and serious and sacred meaning."

Pope Francis shocked church traditionalists and pro-life advocates after he recently praised a leading abortion rights advocate and even dubbed her as one of Italy's "forgotten greats." The pontiff made the statement during an interview last Feb. 8 with Corriere Della Serra, where he compared former Italian Foreign Minister Emma Bonino to great historical figures such as Konrad Adenauer and Robert Schuman.

Every Christian that claims to follow the Lord Yahushua Christ should be standing up and speaking out against this abomination of abortion that is going on each and every day.

And if the people of the land do any ways hide their eyes from the man, when he giveth of his seed unto Molech, and kill him not: Then I will set my face against that man, and against his family, and will cut him off, and all that go a whoring after him, to commit whoredom with Molech, from among their people. Leviticus 20:4-5
