

JESUS WAS NOT A Jew

Benjamin H. Freedman, Jewish Historian - Researcher - Scholar.

From "Common Sense", p. 2-1-53 and 5-1-59

"Christians have been duped by the unholyest hoax in all history, by so-called Jews. This is considered their most effective weapon."

"This 'big lie' technique is brainwashing United States Christians into believing that Jesus Christ was "King of the Jews", in the sense that so-called 'Jews' today call themselves 'Jews'. This reference was first made in English translations of the Old and New Testaments, centuries before the so-called Jews highjacked the word 'Jew' in the 18th century A.D. to palm themselves off on the Christian world as having a kinship with Jesus Christ. This alleged kinship comes from the myth of their common ancestry with the so-called 'Jews' of the Holy Land in the Old Testament history, a fiction based on fable."

"American Christians little suspect they are being brainwashed twenty-four hours of every day over television and radio, by newspapers and magazines, by motion pictures and plays, by books, by political leaders in office and seeking office, by religious leaders in their pulpits and outside their churches, by leaders in the field of education inside and outside their curricular activities, and by all leaders in business, professions and finance, whose economic security demands that they curry the favor of so-called "Jews" of historic Khazar ancestry. Unsuspecting Christians are subjected to this barrage from sources they have little reason to suspect. Incontestable facts supply the unchallengeable proof of the historic accuracy that so-called "Jews" throughout the world today of eastern European origin are unquestionably the historic descendants of the Khazars, a pagan Turko-Finn ancient Mongoloid nation deep in the heart of Asia, according to history, who battled their way in bloody wars about the 1st century B.C. into eastern Europe where they set up their Khazar kingdom. For some mysterious reason the history of the Khazar kingdom is conspicuous by its absence from history courses in the schools and colleges.

"The historic existence of the Khazar kingdom of so-called "Jews", their rise and fall, the permanent disappearance of the Khazar kingdom as a nation from the map of Europe, and how King Bulan and the Khazar nation in about 740 A.D. became so-called "Jews" by conversion, were concealed from American Christians by censorship imposed by so-called "Jews", of historic Khazar ancestry, upon all U.S.A. media of mass communications directed by them. Then in 1945 this author gave nation-wide publicity to his many years intensive research into the "facts of life" concerning Khazars. The disclosures were sensational and very effective but apparently angered so-called "Jews" who have continued to vent their spleen upon this author since then solely for that reason. Since 1946 they have conducted a vicious smear campaign against him, seeking thus to further conceal these facts, for obvious reasons. What have they to fear from the truth?

"In an original 1903 edition of the Jewish Encyclopedia in New York's Public Library, and in the Library of Congress, Volume IV, pages 1 to 5 inclusive, appears a most

comprehensive history of the Khazars. Also in the New York Public Library are 327 books by the world's greatest historians and other sources of reference, in addition to the Jewish Encyclopedia, dealing with Khazar history, and written between the 3rd A.D. and 20th centuries by contemporaries of the Khazars and by modern historians on that subject."

Jesus was a 'Judean', not a Jew.

During His lifetime, no persons were described as "Jews" anywhere. That fact is supported by theology, history and science. When Jesus was in Judea, it was not the "homeland" of the ancestors of those who today style themselves "Jews". Their ancestors never set a foot in Judea. They existed at that time in Asia, their "homeland", and were known as Khazars. In none of the manuscripts of the original Old or New Testament was Jesus described or referred to as a "Jew". The term originated in the late eighteenth century as an abbreviation of the term Judean and refers to a resident of Judea without regard to race or religion, just as the term "Texan" signifies a person living in Texas.

In spite of the powerful propaganda effort of the so-called "Jews", they have been unable to prove in recorded history that there is one record, prior to that period, of a race religion or nationality, referred to as "Jew". The religious sect in Judea, in the time of Jesus, to which self-styled "Jews" today refer to as "Jews", were known as "Pharisees". "Judaism" today and "Pharisaism" in the time of Jesus are the same.

Jesus abhorred and denounced "Pharisaism"; hence the words, "Woe unto you Scribes and Pharisees, Hypocrites, Ye Serpents, Ye Generation of Vipers".
