

The Homosexual Lifestyle
By: Pastor Bill
Yahushua DSCI Ministry

THE HOLY BIBLE SAYS:

(Leviticus 18:22.) "Thou shalt not lie with mankind, as with womankind: it is abomination." (Leviticus 20:13.) "If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination: they shall surely be put to death; their blood shall be upon them."

THE HOMOSEXUAL LIFESTYLE

Welcome brothers and sisters in Christ Yahushua. We need to speak the truth about homosexuality and what God calls an abomination. Also how it affects our religious freedoms and liberties here in America. We speak about this subject not with "hate" in our hearts towards anyone. We love our Lord and Savior Yahushua Christ and He has commanded us to be "Watchmen on the Wall". If we do not sound our trumpets loudly and speak out and educate others about the dangers of homosexuality and what the Word of God says about this, then as "Watchmen on the Wall" we will be held accountable.

(Ezekiel 3:17-19.) "Son of man, I have made thee a watchman unto the house of Israel: therefore hear the word at my mouth, and give them warning from me."

(Isaiah 62:6.) "I have set watchmen upon thy walls, O Jerusalem, [which] shall never hold their peace day nor night: ye that make mention of the LORD, keep not silence,"

Today in America, many church denominations are now welcoming homosexuals into their clergy and do this in defiance of scripture. Our own government, that which is supposed to be set up as a Godly government according to the Holy Bible, has also turned away from God, His Word, and His Commandments, Statutes and Laws by praising the LGBT lifestyle and passing new laws in favor of what God calls an abomination.

False prophets (ministers, pastors) inside the church are also "marrying" homosexuals in defiance of God's Holy Word.

What most do not fully understand is that the homosexual lifestyle is an assault on our Christian freedoms and liberties. Everyone needs to wake Up and realize that we are in a spiritual war. "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places". (Ephesians 6:12.)

Whether you believe it or not, Satan is at work all around us building his earthly kingdom. Satan wants to remove God and any reference to God and Yahushua Christ from our schools, institutions, government offices, churches, and even penalize those that believe in the Holy Bible. Today if you are a Christian you are labeled by the federal government as being a "domestic terrorist".

If you are a Christian and stand firm in Christ's teachings and what the Bible says about homosexuality, if you honor God and stand firm in your religious beliefs, then you will be persecuted by gay activists and the federal government. You may be fined or even put into jail simply because of your religious convictions.

As of today, the Federal government continues to promote the homosexual lifestyle far more than it recognizes a Christian's right to his/her religious freedoms.

For example:

*Pam Regentin, the owner of Fleur Cakes, in Hood River, Ore. She chose not to bake a cake for a lesbian couple because doing so would go against her religious beliefs about marriage. The Oregon Labor Bureau started investigating this case under alleged discrimination against the lesbian couple.

*In Lakewood, CO, a gay couple was denied a cake from Masterpiece Cake shop, because its owner, Jack Phillips, doesn't support same-sex marriage, also because of his strong Christian faith. The Attorney General's office filed a formal complaint against Phillips for allegedly violating Colorado's civil rights laws.

*Aaron and Melissa Klein of Sweet Cakes by Melissa in Gresham, Ore., also chose not to make a cake for a lesbian couple because doing so would violate their religious beliefs about marriage. A lawsuit could follow.

Each one of these people are being sued and/or ostracized because of their faith in Yahushua Christ and by doing their best to live as Christ commands us to do. We hope these examples, and many others below, will show that the homosexual agenda extends far beyond legalizing same-sex marriage.

Now let us look at the assault on the Holy Bible.

A new Homosexual Bible has been released.

(Revelation 22:19.)

" And if any man shall take away from the words of the book of this prophecy, God shall take away his part out of the book of life, and out of the holy city, and from the things which are written in this book."

THE NEW "QUEEN JAMES" BIBLE

The Queen James Bible seeks to resolve interpretive ambiguity in the Bible as it pertains to homosexuality: We edited those eight verses in a way that makes homophobic interpretations impossible. <https://carm.org/queen-james-bible>

This proves that sodomy and homosexuality is a sin and is an abomination to God. Those that hate the truth once again change the scriptures to serve their evil deeds while they only give lip service to Christ. Don't you see that our Christian beliefs are under attack? It is time to stand up for Christ and defend His Holy Word.

The Homosexualization of Public Schools:

President Obama appointed Kevin Jennings, founder of GLSEN (Gay, Lesbian, Straight Education Network) — which sponsored the conference that produced the notorious "Fist gate" scandal (in which young teens were guided on how to perform dangerous

homosexual perversions including “fisting”) — to head up “Safe Schools” efforts at the Department of Education. Jennings is a vicious, anti-religious bigot. He supports promoting homosexuality and gender confusion as normative to even young students.

"Fisting [forcing one's entire hand into another person's rectum or vagina] often gets a bad rap....[It's] an experience of letting somebody into your body that you want to be that close and intimate with...[and] to put you into an exploratory mode."

The above quotation comes from Massachusetts Department of Education employees describing the pleasures of homosexual sex to a group of high school students at a state-sponsored workshop on March 25, 2000.

This involved state employees and schoolchildren -- and these actions are still being defended by the homosexual movement in Massachusetts.

Here are other things they are teaching our children at school:

Role playing and "carpet munching"

"A lesson in fisting"

"Rubbing each others' clits"

"Should you spit after you suck another boy (or a man)?"

There is so much more information about the homosexual agenda in our schools that this paper could not go through each one. Our purpose is to only share the truth of what homosexuals are doing to our kids in school and how they are indoctrinating them into a sick and pervert lifestyle that God calls an abomination.

supporting this lifestyle:

Leaders and activists far beyond, Attorney General Eric Holder and the D.O.J., have passed laws to aid LGBT equality.

The Attorney General announced that he is issuing a new policy memorandum that will “formally instruct all Justice Department employees to give lawful same-sex marriages full and equal recognition, to the greatest extent possible under the law.”

Virginia’s Same-Sex Marriage Ban Overturned

A federal judge overturned Virginia’s ban on same-sex marriage

Since taking office, President Obama and his administration have taken significant steps to advance equality for the lesbian, gay, bisexual, and transgender (LGBT) community.

The Supreme Court’s decision in U.S. v. Windsor last June, invalidating a key provision of the Defense of Marriage Act, has given rise to crucial protections to same-sex married couples nationwide. In August, the Treasury and IRS helped to clarify the federal tax implications of Windsor by determining that all legal same-sex marriages will be recognized for federal tax purposes. <http://www.whitehouse.gov/lgbt>

Homosexual activists in America and abroad attempt to portray their lifestyle as normal and healthy, that they were born this way and insist that homosexual relationships are the equivalent in every way to their heterosexual counterparts. Hollywood, the media, and now false prophets (ministers, pastors) in church buildings, relentlessly propagate the image of the fit, healthy, and well-adjusted homosexual.

Homosexual author Urvashi Vaid expressed one of the goals of her fellow activists: "We have an agenda to create a society in which homosexuality is regarded as healthy, natural, and normal."

We need to warn our children and others about the dangers and effects it has on our nation and society instead of giving false statements and lies about it being a healthy alternative lifestyle.

**LET US EXAMINE THE NEGATIVE HEALTH EFFECTS OF
HOMOSEXUALITY AND THE RESULTS FROM LIVING IN THIS
ABOMINATION AS STATED IN LEVITICUS 18:22 - 20:13.**

People who practice homosexuality experience higher rates of many diseases, including:

HUMAN PAPILLOMAVIRUS (HPV).

HPV is a collection of more than seventy types of viruses that can cause warts, or papillomas, on various parts of the body. HPV is "almost universal" among homosexuals. According to the homosexual newspaper The Washington Blade: "A San Francisco study of Gay and bisexual men revealed that HPV infection was almost universal among HIV-positive men, and that 60 percent of HIV-negative men carried HPV."

HEPATITIS A, B and C

A potentially fatal liver disease that increases the risk of liver cancer. The Mortality and Morbidity Weekly Report published by the CDC reports: "Outbreaks of hepatitis A among men who have sex with men are a recurring problem in many large cities in the industrialized world."

GONORRHEA:

An inflammatory disease of the genital tract. Gonorrhea traditionally occurs on the genitals, but has recently appeared in the rectal region and in the throat.

In 1999 the CDC released data showing that male rectal gonorrhea is increasing among homosexuals amidst an overall decline in national gonorrhea rates.

SYPHILLIS:

A venereal disease that, if left untreated, can spread throughout the body over time, causing serious heart abnormalities, mental disorders, blindness, and death. "transmission of the organism occurs during vaginal, anal, or oral sex. Archives of Internal Medicine found that homosexuals acquired syphilis at a rate ten times that of heterosexuals.

GAY BOWEL SYNDROME

The American Medical Association refers to GBS problems such as proctitis, proctocolitis, and enteritis as "sexually transmitted gastrointestinal syndromes. Proctitis and Proctocolitis are inflammations of the rectum and colon that cause pain, bloody rectal discharge and rectal spasms. Proctitis is associated with STDs such as gonorrhea, chlamydia, herpes, and syphilis that are widespread among homosexuals.

HIV/AIDS

The human immunodeficiency virus (HIV) is responsible for causing AIDS, for which there exists no cure. The CDC reports that homosexuals comprise the single largest exposure category of the more than 600,000 males with AIDS in the United States. As of December 1999, "men who have sex with men" and "men who have sex with men and inject drugs" together accounted for 64 percent of the cumulative total of male AIDS cases.

ANAL CANCER:

Homosexuals are at increased risk for this rare type of cancer, which is potentially fatal if the anal-rectal tumors metastasize to other bodily organs.

People who practice homosexuality have higher rates of:

ALCOHOL ABUSE:

The Journal of Consulting and Clinical Psychologists reports that lesbian women consume alcohol more frequently, and in larger amounts, than heterosexual women.

Lesbians were at significantly greater risk than heterosexual women for both binge drinking and for heavy drinking. A study in Family Planning Perspective concluded that male homosexuals were at greatly increased risk for alcoholism.

DEPRESSION AND SUICIDE:

Archives of General Psychiatry, found that homosexuals with same-sex partners were at greater risk for overall mental health problems. Archives of General Psychiatry followed 1,007 individuals from birth. Those classified as "gay," lesbian, or bisexual were significantly more likely to have had mental health problems and were 6.5 times more likely to have attempted suicide.

DOMESTIC VIOLENCE:

The Bureau of Justice Statistics (U.S. Department of Justice) reports that married women in traditional families experience the lowest rate of violence compared with women in other types of relationships. Homosexual and lesbian relationships are far more violent than are traditional married households.

FINANCIAL IMPACT:

\$12.1 Billion annual cost in US: "Future treatment for the 40,000 people infected with HIV in the United States every year will cost \$12.1 billion annually, a new study showed." (msnbc.msn.com/id/15528984/ns/health-aids/t/new-us-hiv-cases-cost-billion-year/)

\$1.5 Billion Cost for 2001 in Canada: "June 2001, Halifax, Nova Scotia— HIV/AIDS cost Canadians more than \$2 billion in 1999 in direct and indirect costs. Health care costs accounted for about \$560 million; prevention, research and supports to AIDS victims for about \$40 million; and lost economic production due to premature death and disability for nearly \$1.5 billion." (gpiatlantic.org/releases/pr_cost_aids.htm)

SEXUAL MOLESTATION:

Higher sexual molestation with homosexual parents: "A disproportionate percentage — 29 percent — of the adult children of homosexual parents had been specifically subjected to sexual molestation by that homosexual parent, compared to only 0.6 percent of adult children of heterosexual parents having reported sexual relations with their parent. ... Having a homosexual parent(s) appears to increase the risk of incest with a parent by a factor of about 50." (P. Cameron and K. Cameron, "Homosexual Parents," *Adolescence* 31 (1996): 772" (exodusglobalalliance.org/ishomosexualityhealthyp60.php).

Pedophilia is now being pushed as another 'sexual orientation' see
<http://www.greeleygazette.com/press/?p=11517>

HOMOSEXUAL PROPAGANDISTS:

Use schools and libraries to normalize homosexual behaviors. Homosexual publishing companies are churning out dozens of books targeted to kindergarteners, pre-teens, and teenagers to normalize homosexual behavior and to push for homosexual marriage and adoption. One of the most popular books distributed by homosexual activists to preteen and teenagers is *Two Teenagers In Twenty*, (formerly called *One In Ten*, and published by Alyson Publishers, Boston). You can also find other books at twolives.com a homosexual publishing company.

THE AGENDA describes how homosexual activists plan on recruiting your children into the lifestyle; how they're undermining traditional marriage; and how they will eventually criminalize any public criticism of homosexual conduct.

<http://www.jesus-is-savior.com/Evils%20in%20America/Sodomy/pederasts.htm>

THE HOMOSEXUAL LIFESTYLE SEEMS TO BE EXTREMELY DANGEROUS:

20% of homosexuals report of participating in sadomasochism where their partner is hurt, scratched, bruised and/or bloodied. 41% of male homosexuals and 8% of lesbians report "fisting"; where the arm is inserted up the rectum of one's partner. Over 90% of male homosexuals participate in the insertion of the penis into the rectum of their sexual partner.

This practice carries great risk for both participants. Fecal matter can enter through the urethra, and sperm breaks through the single layer of the columnar epithelium of the rectum, causing massive immunological disruptions in the blood system, making the person at much greater risk for infection. Homosexuals are 245% more apt to report 2 or more sexually transmitted diseases (STDs) at a time, than heterosexuals.

Yahushua DSCI Ministry believe, that the homosexual agenda is an assault on our religious freedoms as well as a perversion of the original intentions and meanings of the United States Constitution. Yahushua DSCI Ministry vow's to fight against and oppose this "abomination" not only for the safety of our children and future generations, but because it is our responsibility to fight all things that are contrary to God's Word.

Know ye not that the unrighteous shall not inherit the kingdom of God? "Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind. Nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God." I Cor. 6:9,10

If you have a problem with Homosexuality or any of the other things mentioned in the above Scripture and you want to change your life from sin and go to Heaven, then first you must believe in God, then you must repent and ask God to forgive you of your sins and turn away from these things and do them no more, Then start living your life for Christ. If you do these things you can be washed clean and sanctified by Yahushua Christ.

"And such were some of you: but ye are washed, but ye are sanctified, but ye are justified in the name of the Lord Jesus, and by the Spirit of our God." 1st Corinthians 6:11

17 Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.
2 Corinthians 5:17
